Obstetrics for Nurses (Classic Reprint)

By Everett Dudley Plass

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Obstetrics for Nurses While actively engaged in instructing nurses in the classroom and in the wards, it became apparent that the existing textbooks on obstetrics were quite unsatisfactory adjuncts to such efforts, the standard medical works being too complicated and technical, while the special nurses books go into so much detail that the fundamental facts are apt to be overlooked. Moreover, in the latter neither the subject matter nor the illustrative material compares favorably with that offered our medical students. Consequently, many nurses use no textbook but rely upon their lecture notes and ward instruction, while an ambitious few always seek out the larger books and have difficulty in culling the information they especially desire. These observations engendered the idea of writing a condensed textbook, which should incorporate the essence of the knowledge of obstetrics into as simple language as possible without the confusing detail. The war, however, interfered with the carrying out of this plan, which is only now being consummated. It was assumed at the onset that the nurses would take up the...
