Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from The Eastern Question: Past, Present and Future: With Map, and Official Documents In the interest of truth, and with the hope of rendering some little assistance to those who consider their country before their party, I have thought it useful to publish in chronological order the prominent facts of the drama lately enacted in Turkey; with the view also of teaching, by showing up the petty jealousies and innate selfishness at the bottom of every move made by the players at the game of the Eastern Question, the lesson of lessons - that honesty is the best policy, and that England never has experienced and never can expect to meet anything but humiliation from following the tortuous paths of diplomacy. If only a true history of diplomatic dealings, even in this century, could be written, what an ocean of crime, bloodshed, misery, devastation, and barbarism, would be laid bare; and yet diplomacy in every country but England is highly esteemed, and even some of our own countrymen appear disposed to condone qualities in a diplomatist, which in an ordinary man could not be excused, for example, the Times own correspondent, telegraphing from Paris, 15 March last, 9.30 p.m. says: - General Ignatieff has been good enough to inform me to-day that he starts to-morrow for London. He then describes General Ignatieff in the following words: - It is necessary to have seen and heard this wonderful diplomatist to understand with what marvellous facility he dilates on the most varied themes. Let ten visitors see him, and to each of them he would describe a new policy, maintaining only some general points, which are for him like...
