

Katrina, Mississippi: Voices from Ground Zero

By Nancykay Sullivan Wessman

Triton, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.A work of creative nonfiction, Katrina, Mississippi: Voices from Ground Zero showcases heroes and their work from the epicenter of preparedness, response, rescue, recovery, and rebuilding. This account weaves individual stories from first responders and critically important volunteers into a timeline that also reports events simultaneously occurring beyond - the accounts of state and federal governments activities and the response of people and organizations from Florida to Oregon, Washington, and Alaska. This book deals with the public health impact of both the natural disaster and the unnatural consequences that emerged through human efforts. The book reveals personal recollections of health and medical aspects, special needs victims and mass care through sheltering, pop-up medical clinics, and the sole hospital that withstood the storm and continued providing services. The book introduces characters who addressed issues related to food and water, sewers, volunteers, donations, and other emergency support functions. Readers learn of catastrophe and courage through the experiences of a public health physician, Robert Travnick, MD, in upheaval not of his own making but caught in a quagmire of natural disaster,...
