Reviews

This is actually the finest ebook i have got study till now. I actually have go through and that i am sure that i am going to likely to read once again once again later on. Its been developed in an extremely straightforward way and is particularly simply soon after i finished reading through this ebook through which actually modified me, change the way i really believe.

UNSEEN ARMS

Joshua Tree Publishing, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Unseen Arms Can you imagine being born without arms or legs? What would be the quality of your life? How would you cope? What would your attitude or personality be like? How about the depth of your humor, the level of your faith, or your compassion for others? Meet the lovely Miss Amy Brooks. Amy was born with an extremely rare condition called Tetraphocomelia-having no arms or legs. She was then left abandoned at the hospital by her birth parents where the staff was asked if they could put her in a room and not feed her. In her inspiring, humorous, and uplifting autobiography, Amy takes you on an amazing journey as she shares her life story and her enviable faith. All throughout, she will make you laugh. She will also make you cry a little. Most importantly, Amy will challenge and inspire you in a way that promises to change your life forever! Amy Brooks is a joyful, exuberant, and faithful Christian whose vision is to glorify Jesus Christ by testifying to the unbeliever of His saving grace and by bringing encouragement to those who already know Him. Her writing honors her adoptive family and their unconditional love for her. Jeff Ferris has more than fifty published articles with various publications and has written a book on evangelism. He is a contributing writer for Pathway Christian Newspaper in Toledo, Ohio where he resides with his wife, Ginny, and their three adult children, sons-in-law, and two grandchildren. Excerpt from the Graduation Speech in Unseen Arms Ninety percent of life is showing up Feel free to jot that down in case you want to use it sometime....
