Filesize: 3.21 MB

Reviews

A fresh e book with a new viewpoint. It is among the most awesome ebook we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Prof. Christelle Stark III)

THE SEGUIN PHYSIOLOGICAL SCHOOL FOR THE TRAINING OF CHILDREN OF ARRESTED MENTAL DEVELOPMENT (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Seguin Physiological School for the Training of Children of Arrested Mental Development This School is situated in an elevated section of the city, about a mile from the railroad station, and in one of the most attractive of the residence portions of Orange. The grounds comprise nearly four acres, the house standing at an elevation of two hundred fifty feet above sea level. To the east and south stretches a beautiful park of forty-seven acres, separated from the grounds of the school by a hedge, while to the west the outlook is upon some of the finest lawns in Essex County. The climate of this section of country is justly renowned for its mildness and salubrity, and many persons unable to stand the strong salt air of New York and Brooklyn have become satisfied residents of Orange, the advantages gained in this short distance being remarkable, especially in cases involving catarrhal and throat troubles. Here we have the pure air and quiet of the country, great shade trees under which the children may sit or play, and broad stretches of grassy lawns with facilities for all out-door games. The surrounding country, with its varied surface of mountain and valley, not only affords pleasing views but is of great value in promoting the physical well-being of children whose constitutional peculiarities make them especially dependent on stimulating climatic environment. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
