Titan Books Ltd. Hardback. Book Condition: new. BRAND NEW, It Came!, Dan Boulton, 1958. Driving through the British countryside, unthinkingly misogynistic space scientist, Dr. Boy Brett, and his companion, Doris Night, pop into a quaint village pub for a cheese ploughman's. But waiting for them outside is a most unwelcome visitor: Grurk, an indestructible, monosyllabic robot from outer space, on a mission to harvest the British Blitz spirit for energy! Pursuing Grurk in their Morris Minor, will Boy and Doris be able to save the British from a life without stiff upper lippedness, or will Her Majesty's Kingdom be forever resigned to a life down in the mouth? Witty, satirical and a rollicking good laugh, IT CAME! is a stunning piece of work, infusing the best (and worst!) bits of the 1950s B-movie with whimsical British charm.
