Brand New Book ***** Print on Demand *****.Today the chalk drawing for the painting Christ on the Cross for Vittoria Colonna resides in the British Museum, but what visitors view is not what was given her by Michelangelo. The original drawing given to her for his last painting had horrifyingly ominous and grotesque demonic, human and animal faces hidden in the swirls of chalk surrounding Christ s body. The terrifying revelation is an ancient curse, which explains attempts to exterminate the Jewish people since the time of Abraham. Richard Arenell and Sao Damrey, lovers, notable art experts, and glamorous members of the fine art glitterati, have been given a mission by a powerful and shadowy Asian software mogul and art collector. To find and secure, by any means possible, the painting of Christ on the Cross, which is now rumored to have been found after being lost for centuries.
