GRIN Verlag Gmbh Nov 2009, 2009. Taschenbuch. Book Condition: Neu. 210x150x2 mm. This item is printed on demand - Print on Demand Neuware - Essay from the year 2009 in the subject Politics - International Politics - Topic: European Union, grade: 2,0, Berlin School of Economics and Law (Postgraduate Masterstudiengang Europäisches Verwaltungsmanagement), language: English, abstract: The underlying thesis of this essay is that the EU Lisbon Strategy and its overall goal of stimulating and fostering socially and ecologically sustainable development, growth and employment started a process of policy convergence that led to the Lisbon Strategy occupying several other policies' agendas and objectives. This applies especially to the EU Cohesion Policy and the Structural Funds as well as to the structural part of the Common Agricultural Policy. The essay also shows some of the limitations the implementation of the EU's policy agenda faces, especially because of budget limitations and shared responsibilities between the EU and national authorities of the Member States. A short chapter on the funding policy of the EU, e.g. the Research Framework Programmes, completes the essay. 36 pp. Englisch.
