## CHAOS INSIDE THUNDERSTORMS

Ronsdale Press. Paperback. Book Condition: new. BRAND NEW, Chaos Inside Thunderstorms, Garry Gottfriedson, This book draws the audience into the centre of the tumultuous political, socio/economical and historical reality of the First Nations experience in Canada today. It is poetic expression that examines leadership, resilience, honour, shame, and love. It examines the issues implicit in the Idle No More Movement and the Truth and Reconciliation conferences. Although the book speaks of age-old themes, it explores them through fresh modern eyes. Eloquent and witty, these poems are power-packed with imagery that uncovers the raw politics of race. There is nothing polite about them. Like his two previous collections of poems, this collection is candid and challenging. More importantly, it is thought-provoking and engaging.
