An Idiots Guide to: Bee Hunting

By John Lockard

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 54 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. This is the original book by John Lockard, which has been edited to bring it in line with modern standards to provide an enjoyable and engaging account as set out by John Lockard. Complete with illustrations to bring the ideas on the page to life in full colour. This book is intended for both the beginners and the seasoned pros, and for those who are just curious to find out about this interesting and rather unusual pastime. No specific background knowledge is required as John explains all in this complete guide. Complete with interesting facts about bees and honey, this is just the tip of the iceberg on a subject of fascination throughout time, who would have thought bees and the art of beekeeping could be so interesting. I hope you enjoy reading it as much as I had fun putting it together. I was born in a little valley, hemmed in by mountains running north and south on either side. It varies in width from one to three miles from the foot of one range to the other. From...
