WINTER PEOPLE WHO RIDE THE WIND

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Throughout the writing of this God Book Series, God along with many others of Divinity seek to further broaden the receptivity of everyone s minds by informing people of previously unknown information that is relevant to everyone s evolution. Even though many truths and facts of life are not remembered when a person is incarnate, all information is well-known to discarnate Souls. So it was decided that NOW is the time for incarnate Souls to relearn or to remember more of the truth that has previously been veiled about life. In this current book, Winter People who Ride the Wind, God presents more revelations that some people would consider to be startling yet somehow familiar. With an amazing twist during the writings, the presentations of the messages are gifted to the readers by not only God who is the Luminescent of this Universe, but by all other Luminescents of all other Universes as well. With outstanding momentum of a progressive movement They state with one voice that They have been joyfully anticipating participating in this book; it is part of Their own pre-birth agreements with all of us. You can definitely feel the interchanges of Their combined energies throughout the book. This book requires slow reading; be prepared that you will need to read it more than one time. God stated that the last three books of this Series are the ones He says are the most important ones: Advocates for Justice, Winter People who Ride the Wind and the final installment which is Avatars in the Valley of the Ancients. We ourselves ask that you read to understand and understand what you read. Journey Well Celest and...
