Aurum Press Ltd, United Kingdom, 2009. Paperback. Book Condition: New. 214 x 140 mm. Language: English . Brand New Book. Most Hollywood biographies are little more than 500-page musings on the when-I-met. theme, filled with famous names, love affairs and cliches of a meteoric rise or tragic fall . Bruce Campbell s *If Chins Could Kill: Confessions of a B Movie Actor* is the boisterous antidote to such convention. Campbell is the ultimate B Movie actor. Star of the cult *Evil Dead* trilogy, with a CV that ranges from buddy Sam Raimi s *Spider-Man*, through *The X-Files* and *Xena: Warrior Princess*, to the less-than-glamorous *Aqua Teen Hunger Force* Colon Movie Film for Theaters, you ve probably never heard of him. But his is one heck of a story! The popularity of Bruce, the cult hero of cable TV and Hollywood s second rung, is burning brighter than ever, his legion of fans undiminished after over thirty years. Insightful, encouraging and brilliantly funny, *If Chins Could Kill!* is a brilliant place to start for those unfamiliar with his work. For everyone else, it acts as a wonderful reminder for just why they fell in love with him in the first place.
