

Essential Economics with MyEconLab Access Card (Mixed media product)

By Michael Parkin, Melanie Powell, Kent Matthews

Pearson Education Limited, United Kingdom, 2012. Mixed media product. Book Condition: New. 259 x 178 mm. Language: N/A. Brand New Book. This package includes a physical copy of Essential Economics, 1/e by Michael Parkin, as well as access to the eText and MyEconLab. With the recent global financial crisis moving economic commentary from the business report to the front page, the benefits of gaining a deeper understanding of the central ideas and theories of economics has never been so important, relevant, topical and exciting. If you want to start thinking about these events as an economist would, this is the book for you. Michael Parkin's books are read by over a million students around the world, so you'll be in safe hands as you learn how to explore difficult policy problems - and even to make more informed decisions in your own economic life. This text will provide you with an undiluted presentation of economic principles and models covering the most important economic topics for a business or non-specialist student with the same rigour found in a specialist economics text. In this pack you will also find an access card for MyEconlab, an online homework and tutorial system for...

Reviews

This pdf is wonderful. We have gone through and so I am certain that I am going to go to study yet again once more in the future. It's been developed in an exceedingly straightforward way which is merely after I finished reading through this pdf where it really transformed me, modified the way I think.

Certainly, this is actually the greatest job by any publisher. It is really simplistic but shocks within the 50 % of the pdf. I am just happy to tell you that this is the very best ebook I have read in my own lifestyle and may be the greatest ebook for actually.
