My boss is unbearable. I m stuck in career purgatory. My team lacks enthusiasm. Our IT department is incompetent. Our strategy is outdated. We don t understand our Chinese partners. We re just not growing. This is the real stuff of work today. In the decade since their international best-seller *Winning* was published, Jack and Suzy Welch have dug deeper into the world of business than ever before , travelling the world consulting to businesses of every size and in every industry, working closely with entrepreneurs from Mumbai to Silicon Valley, starting their own company, and owning and managing more than 40 companies through private equity.
