Balboa Press, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. IT S THE GREATEST FRAUD IN HUMAN HISTORY. Where did we come from? How did we get here? Sea creatures coming out of the sea, growing limbs and living in trees and then turning into Monkeys who change into Humans. WOW! It sounds a bit like a T.V. Science Fiction show. But it s not. It s what evolutionists call scientific fact Scientific fact without evidence, am I missing something here? This book encourages you to take a really close look at the facts. It encourages you to use your own experience and the incredible power of the greatest computer ever created (the human brain) Can you really believe that such a complicated system as the human brain which is linked to the ear, the eye, the heart, the muscles, the immune system etc. etc. etc. can develop from nothing? Can you really believe that this incredible machine and all its essential parts all just happened as a result of thousands of accidents? You need some answers.
