Orion Publishing Co. Paperback. Book Condition: new. BRAND NEW, Cold, Cold Heart, Tami Hoag, The shocking standalone psychological thriller from number one New York Times bestselling author Tami Hoag. She was the only one to make it out alive. Dana Nolan was a promising young TV reporter until she was kidnapped by a notorious serial killer. A year has passed since she survived the ordeal, but Dana is still physically, emotionally, and psychologically scarred. She thought it was over. In an attempt to put herself back together, Dana returns to her hometown. But it doesn't provide the comfort she expects: she struggles to recognize family and childhood friends and begins experiencing dark flashbacks. But she's not sure if they're truly memories or side effects of her brain injury. She was wrong. Dana decides to use her investigative skills to piece together her past and the event that made her become a reporter in the first place: the disappearance of her best friend, Casey Grant, the summer after high school graduation. But now, old friends seem to be suspects, authority figures part of a cover-up. Dana begins to question everything she knows. And is the truth really something too terrible to be believed?.
