An End to the Crisis of Empirical Sociology?: Trends and Challenges in Social Research (Hardback)

By -

Taylor Francis Ltd, United Kingdom, 2016. Hardback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book. Research data are everywhere. In our everyday interactions, through social media, credit cards and even public transport, we generate and use data. The challenge for sociologists is how to collect, analyse and make best use of these vast arrays of information. * The chapters in this book address these challenges using varied perspectives and approaches: * The economics of big data and measuring the trajectories of recently arrived communities * Social media and social research * Researching elites , social class and race across space and place * Innovations in qualitative research and use of extended case studies * Developing mixed method approaches and social network analysis * Feminist quantitative methodology * Teaching quantitative methods The book provides up to date and accessible material of interest to diverse audiences, including students and teachers of research design and methods, as well as policy analysis and social media.
