Since Sashi can remember, her mother has told her that she was born to Light the Earth. Although a little too young to understand the full meaning, Sashi knows that her mother s words are important. Try as she may, year after year, Sashi struggles with this simple but profound wisdom. However through persistence and trust, she awakens to her mother s guidance, only to become the radiant expression of humanity she was meant to be. Through simple, easy-to-understand language and delightful, heartwarming illustrations, Lighting the Earth beautifully addresses Universal questions such as, Who am I? and Why am I here? Children of all ages will feel truly inspired to follow their inner strengths, and adults will see the importance of lovingly guiding children as they follow their own journeys.
