### Reviews

This pdf may be really worth a study, and much better than other. I could possibly comprehended every thing out of this composed e ebook. You will not sense monotony at anytime of your time (that's what catalogues are for regarding when you check with me).

(Elza Gusikowski)

#### **INFAMY!**

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Infamy! is the story of a greedy family s Faustian bargain with the Japanese Consulate in Honolulu, Hawaii. It is a fictional version of the colossal investigative and intelligence failures that drew the United States into World War II on December 7, 1941. The family at the center of the story is real as are the president, his cabinet, other civilians and military officers-American and Japanese-J. Edgar Hoover and a mysterious Mr. Kai. Infamy! recalls not simply the indictment of Japan s sneak attack on Pearl Harbor by President Franklin Roosevelt. Far from it! The infamous that fall were legion. Infamy! is a story of what might have been. The characters at the center of the story had the power to change history.
